Thank you for your visit to ADRA-Rwanda Web site!

ADRA Rwanda we are very happy to receive visitors like you, and you are warmly welcome.

We like to share ADRA Rwanda's activities with the entire world. Such sharing leads us towards development. Auditors and International Reviewers are always looking deeper in our procedures and giving us valuable advice. Our staff has a commitment to be updated, modern and transparent in all procedures. Our greatest achievement is to make our donors' resources reach a greater number of people with the most cost-effective projects. Thank you to all of you for visiting our web site and for helping ADRA Rwanda towards continuous Excellency.

ADRA Rwanda has been operational since 1978 without any interruption. Please come and look in all the folders of our web site. If you have a good piece of advice you are most welcome to leave it recorded here so we may continue to improve our agency.

If you land here in this beautiful country of "Mille Colines" please, do not leave without a visit to our office and our projects. If you are able to help us in our mission, please, let us know how and we will be sure to get in contact with you.

Thanks for your visit!!!

Yours,

Joseph SEBAHIRE
